My favorite thing to do at camp was the color war because I rescued the flag. I love to play with my friends.

## About Me:

My dad is in the war in England being a doctor for the wounded. Me and my two best friends Susan and Linda go to camp for two weeks. We have a lot of fun except for Susan in the canoe race. On the second to last day of camp they have a color war. The object of the game was to capture the flag. The blue team Susan and I were on. Their team captain had their whole team captured by the red team. Susan and I rescued our team and thought of a plan to rescue the flag. When I was swimming up to the hill I had to hold my breath so I would not get caught. I got the flag and we won the flag war. I also got over my fear of swimming under water. Everybody got ice-cream to.

Do you want to go to camp? Then Camp Gowonagin is the right one for you. It is packed with non stop fun. It is only \$200 dollars for two weeks. You better hurry spots are running out.
